Thanks Sue,

I added a yellow highlight to my preference for the New suspended statement.

And sorry if I missed this yesterday – I could NOT keep up with emails no matter how fast I typed, but these changes will be made to all applicable chemicals....not just this list, correct? (this list just illustrates a range of assessment status presentations?

Tina,

I think this might be an issue with terminology. Sue, Anna, Vicki, Dahnish and I were just talking about ways to clarify the text a bit clearer (on the landing pages) not in the memo.
